LES BIJOUX D'ARCANA

Like the exquisite precious stones, Les Bijoux d'Arcana enhances the excellence of marble. A series of great aesthetic value designed for residential and commercial spaces that are looking for a distinguished and sophisticated touch.

The Bijoux collection is composed of different models of different characters, sizes, and finishes. All models are available in a high-gloss polished finish, which transmits natural light to the rooms. Some are also offered in a matt finish, with a very pleasant silky touch. In all cases, the pieces are rectified, generating endless and elegant surfaces.

Alabastro-R Polished porcelain tile with marble effect (available in 79.3x79.3 cm and 59.3x119.3 cm) has subtle ochre streaks on a warm ivory base. A sophisticated style in high-gloss that dresses any environment with glamour.

When it comes to giving prominence to a specific area, the **Saphir-R Polished** porcelain tile is the most suitable option (sizes: 59.3x119.3 cm, 79.3x79.3 cm, and 119.3x119.3 cm). Inspired by the blue color of sapphire jewelry, this model provides a strong personality and an intense polished finish to the surfaces.

The **Nagoya-R Blanco Polished** porcelain tile becomes the focus of every project as a result of its soft contrasts. The combination of its white base and the black stripes creates a delicate finish that can be used for any room (it is commercialised in 59.3x119.3 cm, 79.3x79.3 cm, and 119.3x119.3cm)

Navua-R Polished is a porcelain marble that, due to its classic beauty, transmits security. Its earth colors alternate capriciously with irregular light and white veins, altogether Navua radiates sober and refined energy (its sizes are 59.3x119.3 cm, 79.3x79.3 cm, and 119.3x119.3 cm).

The **Antique-R Crema Polished** model (in two sizes: 79.3x79.3 cm y 59.3x119.3 cm) stands out for its natural appearance of rich hues and the combination of soft white and gold veins. This porcelain tile brings distinction and warmth to the space with a contemporary touch.

The **Wish-R Gold Polished** porcelain tile raises the decorative level of any environment. It is an eternal material that captivates everyone with its majestic touch (offered in 79.3x79.3 cm and 59.3x119.3 cm).

The **Vanity-R Pearl Polished** porcelain tile brings character to the spaces with its fine black and white veining. Its gray base provides a remarkably elegant touch to spaces. It's useful for covering both floors and walls (79.3x79.3 cm and 59.3x119.3 cm).

Any space becomes extraordinary with a contemporary pearl-based porcelain marble with light blue and gold waves in sinuous and enveloping shapes. We're talking about **Doinyo – R matt** (60x120 cm size) or **Doinyo – R Polished** (in 79.3x79.3 cm, 59.3x119.3 cm, and 119.3x119.3 cm sizes) which shows an additional exquisiteness due to its high-gloss polished finish.

Odilon-R is a remarkable ceramic marble that combines coppery and gray veins on a pearly base, thus providing a warm color variety. Its satin finish creates a serene and elegant environment (available in 80x80 cm, 60x120 cm, and 120x120 cm). In addition, **Odilon-R Polished** features a shiny polished surface that reflects its exuberant uniqueness (available in the sizes 79.3x79.3 cm, 59.3x119.3cm, and 119.3x119.3cm).

Lastly, **Aster-R** is a sumptuous black porcelain marble, with rippling white veins and small golden touches that provide visual relief (available in matt finish in 80x80 cm, 60x120 cm, and 120x120 cm). **Aster-R Polished** radiates sophistication and increases the color intensity because of its high-gloss polish (in 79.3x79.3 cm, 59.3x119.3 cm, and 119.3x119.3 cm).
