CLIFF COLLECTION

Arcana Cerámica's new Cliff collection takes its inspiration from the indomitable, natural beauty of stone, which is used to create spaces with strong personalities and a marked, architectural style. This is a collection that speaks for itself, intended for elegant, innovative interiors while exuding robustness, at the same time.

Cliff Series

The **Cliff** porcelain tile, combines a sophisticated, urban style with the natural contrasts, shadings and properties of stone. Available in the following shades:- Dark; Igneo; Jade and Greige, Cliff is being produced in a wide range of sizes and finishes. Matt finish is available in the following sizes: 120x120cm rectified (47.2x47.2 inches); 80x80cm rectified (31.5x31.5 inches); 60x120cm rectified (23.6x47.2 inches); 60x60cm (23.6x23.6 inches); 59.3x59.3cm rectified (23.3x23.3 inches); 30x60cm (11.8x23.6 inches) and 29.3x59.3cm rectified (11.5x23.3 inches). All formats have great anti-slip properties (R10), offering the possibility of their use in both commercial and exterior spaces. Additionally, Cliff is being produced in a polished finish in the following sizes: 119.3x119.3cm (47x47 inches) and 79.3x79.3cm (31.2x31.2 inches) rectified. To sum up, this range offers a wealth of possibilities, lending itself for use in both commercial and residential projects.

The **Positano-R Mosaic** (30x30cm), takes its inspiration from the appearance of fish scales, bringing surfaces alive with its unique guise. It is produced in the full range of colours, (Dark, Jade, Igneo and Greige), as well as a multicolour version.

The **Moher-R** porcelain tile, available in Light and Dark and produced in 80x80cm (31.5x31.5 inches) rectified and with a matt finish is a decor which epitomises the beauty of the collection incorporating a high level of design and brings an added value to the spaces where it is used.

The patchwork effect **Yesnaby** porcelain tile, creates rich surfaces and unique visual effects. Produced in 60x60cm (23.6x23.6 inches) format, this model is available in 4 shades: Dark; Igneo; Jade and Greige.

The **Asgard** porcelain tile is produced in a 20x20cm (7.9x7.9 inches) format and is made up of different decors which explore the boldness and versatility of surfaces from a geometrical perspective. Inspired by the Art Deco style, the **Trango** porcelain tile, in 20x20cm (7.9x7.9 inches) format brings a modern and refined version of this elegant look to the spaces it adorns. The last piece in the collection is the **Paracas** porcelain tile. This tile is produced using special inks to enhance surfaces with an innovative sparkle. An update which offers luxury and refinement through the use of a powerful and resistant material.

Flaming collection

The Flaming wall tile collection is made up of a select range in 8x31.5cm (2.3x12.4 inches) format with a variety of “on trend” colours (Mustard, Cherry, Jean, Taupé, Mint and Nube) which guarantee a wide range of possibilities.

The Bunda wall tile, which is available in the full spectrum of colours of the collection, distorts reflections through its use of inks and special production techniques, creating current spaces from a warm, original perspective.
