## **Spuma The art of the unexpected**

Spuma breaks with established trends and minimalist surfaces, giving way to a daring creativity that aims to surprise by seeking the most non-conformist beauty.

With a wide range of colors, the enveloping Spuma graphics dress spaces, giving them an avant-garde originality; The variety of finishes and formats make it a versatile collection with multiple possibilities.

The Spuma porcelain collection is a graphic with a strong personality, available in 10 colors, 8 formats, 1 mosaic, 1 special piece and 3 finishes:

The Spuma pieces are produced in 120x120, 80x80, 60x120, 60x60, 59.3x59.3. These, together with the mosaic and the special conical Frullato piece in 22.5x29 can be found in 5 colours: Panna, Frappe, Macchiato, Mocha and Tutti Frutti. The 80x80 is also sold in an R-10 non-slip finish.

Five more colours will be added to the Spuma range for the 30x30 and 29.3x29.3 formats: Chia, Sesame, Mirtillo, Menta and Cacao.

In the case of the 8x31.5 Sorbetto model, the matt-gloss contrast is intensified, thus enhancing its decorative value. This is produced in all 10 colours of the collection.

Immerse yourself in the world of Spuma and you will be able to create a unique atmosphere in your projects, dazzling with the art of the unexpected.
